

## The Remedy Maker:

- Easily used with multiple people or animals without changing programming or operations
- Provides homeopathic corrective input to acu-points
- Water-resistant front label for easy cleaning
- Provides power to Eagle Research's Twin-Ray light tool
- Attachments make additional input or high volume remedy production quick and easy
- Offers momentary or continuous operation for a wide variety of applications

### Remedy Maker

The remedy maker is a modern way to produce, copy, and utilize homeopathic remedies rapidly and effectively. It is powerful enough for the seasoned practitioner, yet simple enough for a child to operate. Several attachments and accessories are produced, that will allow anyone to be able to take advantage of the Remedy Maker to the fullest extent. Whether you're trying to recuperate from walking through a patch of poison ivy, you need acupuncture treatments, or your dog has an upset stomach, the Remedy Maker has a way to obtain and utilize the answer!
